

MIDWEST Garden Gal

Midwest Garden Gal breaks down barriers and fears around gardening so everyone can find success in their own spaces. I believe gardening is a grand experiment that should be filled with joy, fun and victories! I use a down to earth approach (no intimidating Latin words here!) to share research-based garden education that leads to early wins, quick successes, and long-term enjoyment in your home garden.

EXPERIENCE

SPANNING

25+
YEARS

"I'm an avid gardener who has spent years learning, growing and making mistakes along the way. With over twenty years of passion-filled experience, I've made it my mission to help fellow gardeners around the world find success in their own backyards."

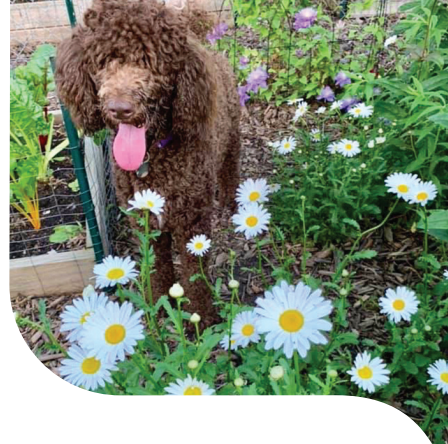

- Lisa

CLASS OFFERINGS & TESTIMONIALS ▶

Book a Class

I custom develop and teach classes across the country. Book me for your next event.

► My Signature Classes –

BEES, BIRDS, BATS & BUTTERFLIES...OH MY!

Discover how you can attract pollinators to your garden and help them thrive. We'll touch on why supporting pollinators matters, plant selection, hardscapes to help our flying friends in addition to habitat dos and don'ts for creating your own pollinator friendly paradise.

CHEAP TRICKS GARDENING: 'CAUSE YOU DON'T NEED TO SPEND A FORTUNE FOR FABULOUS

We'll explore ideas for using flea market finds and found items in unique, beautiful, funky and whimsical ways in the garden. Then we'll take it a step further and follow the seasons sharing cheap ticks to use in your garden all year round. This is the class that inspired the book!

CLEMATIS: QUEEN OF THE VINES

Everything you need to know about growing clematis in your garden. From when to prune, where to grow and how to help them flourish, this class has you covered. Find out my secret fertilizing trick that you've likely found nowhere else.
